Severe Weather Awareness Week Highlights Steps for Safety, Prevention

Severe Weather Awareness Week is April 21-25. Locally, several activities are planned to showcase options for residents to prepare and plan for severe weather.

Thursday, April 24 is the statewide test of the emergency system.

Saturday, April 26, weather radios will be sold at cost in all City of Madison Fire Stations. Sales will be conducted by volunteers from the American Red Cross – Badger Chapter and RSVP of Dane County. Both agencies have committed extensive resources to emergency preparedness. The radios will sell for \$22.68 and can be programmed to cover any location in the U.S.

Sales will take place only from 9 a.m. until noon on Saturday, April 26. No cash or credit will be accepted. Checks and money orders should be made payable to Dane County.

Radio sales are limited to 2 per household. If additional radios remain after April 26, they may be purchased during regular business hours Monday through Friday from 8 a.m. until 4:30 p.m. at the City of Madison Fire Department Administration Offices located at 325 W. Johnson St., Madison.
